# **ATTENTION!**

## **BOIL WATER NOTICE**

**A Boil Water Advisory has been issued by the City of Vero Beach Utilities to all water customers who were affected by the electric power outage on Sunday January 31, 2016 between the hours of 6:25 pm and 9:30 pm. The power outage affected the City's water plant operations and, as a caution, all water used for drinking and cooking should be boiled until bacteriological testing shows the water is safe to drink. A rolling boil for one minute should be sufficient.**

**If you have any questions regarding this advisory, please contact the City of Vero Beach Water and Sewer Department directly at (772) 978-5220.**
